Please see the next page for more information about what to expect after enrollment.

IZERVAY Commercial Copay Program

Next steps

After the patient is enrolled, you will receive processing information, including a virtual commercial copay card with a BIN, PCN, group number, and member number.

How to submit a claim

Submit a detailed explanation of benefits from the primary insurance plan, which requires the NDC and CPT numbers, through the portal or via email to IZERVAYClaims@Paysign.com.

Ways to receive reimbursement

After you submit claims, choose the way the IZERVAY Commercial Copay Program reimburses you:

Virtual debit card payments are made immediately following claim approval.

EFT payment accounts will be funded within approximately 7 business days following claim approval, and funds will be disbursed to the registered practice banking account.

Practices can also receive payment by check if preferred.

With just a call or click, you can get reliable assistance from a dedicated IZERVAY My WaySM Access Coordinator.
